

# BALLOONS CARNIVAL

## DO YOU STEEL THINK THAT BALLOONS IS ONLY FOR KIDS

Balloons symbolize cheerfulness, it was always present in funny parties during our childhood as balloons create colorful events.

Just imagine a kid and one adult with a bizarre likeable hat or with the big ears of Mickey Mouse! the kid will look cute, while the adult will look funny and will keep himself amused.

Using special balloons, Lilette twist them in different forms like animals, flowers, strange hats, and character of Walt Disney, and many other shapes. The balloons are distributed to the kids during the show, and the kids can enjoy themselves in a funny carnival atmosphere.

The Balloons Carnival is an original avant-garde entertainment specially for situation where you can have a direct contact with the audiences, indicate for gala dinner, happy hours, cocktail, private party, carnival, Halloween, for 31 December of the San Silvestre night, etc.

Lilette evolve with discretion and elegance with the spectators thus creating a humorous situation, and the sculptures she twists are given to the participants.

The show is ideal to be done on stage, the back-ground music create a funny atmosphere.

A colorful and funny show to ensure a big success with the Balloons Carnival Show.

### **Focus point:**

- Visual everywhere.
- Colourful and very Funny.
- People present in the audiences will enjoy themselves with photography of friends and their family at this event.
